What is “Seasons of Refreshing”?

“Seasons of Refreshing” is CMA’s annual start-of-the-season conference.

The purpose is to allow the National Evangelist and Board of Directors of CMA Canada to communicate information to the membership, to introduce the ministry theme for the upcoming riding season, and for members to get together and generally be refreshed, encouraged and challenged.

At the registration desk we will have available to you some information on restaurants in the area for supper on Saturday night and any other meals you may need to have.

We look forward to everyone coming and being part of Season’s of Refreshing 2012 in Calgary, AB.

We anticipate a great message, wonderful fellowship, and awesome worship!

Travel safe and we hope to see you there.

You may also register online by going to our website: www.chinookriders.ca/seasons-of-refreshing.html
